Work Experience

School of Informatics and Computing, Bloomington

Undergraduate Instructor for INFO-I210

August – Present

- Assist students with learning the python programming language during lecture group work and labs.
- Hold office hours to help students with homework assignments, as well as exam revisions.
- Grade student homework and exams.

Divegraphy, Singapore

Web Developer

June – August 2016

- Programmed Divegraphy's phase I website using Bootstrap Framework, SASS, Javascript, and Angular.js.
- Developed an ERD model for our back-end database by analyzing the information architecture of our e-commerce platform.
- Researched and designed elements for our next phase such as side navigation and user icons. Gained experience using Sketch and Adobe Experience Design.

Best Western Crossroads Inn, Schererville Indiana

Front Desk Agent

May – August 2014/15

- Created and organized reservations for hotel guests.
- Collaborated with housekeeping and maintenance to update the status of rooms, manage proper function and uphold guest accommodations.
- Served breakfast for guests and cleaned lobby.
- Trained other front desk agents on usage of reservation software in order to best meet needs of guests.

Student Activities

Raas Royalty – Intercollegiate Indian Dance Competition

Board Member – Webmaster

May 2016 – Present

- Designed and programmed our new website for our March 2017 Competition.
- Volunteered for local organizations such as the Hoosier Hills Food Bank.

Board Member – External Events

April 2015 – April 2016

- Contacting local venues and DJs and setting up after-party for Raas Royalty.
- Collaborate with public relations for other school fundraising events such as Henna Shops, Bollywood Movie Night, Raas Royalty Date Auction, and Raas Workshops.
- Develop a competition theme and implementing it with every event.

Liaison

October 2014 – March 2015

- Responsible for helping the Saint Louis University Raas Team. Assisted them with competition registration, traveling, and other needs necessary for the weekend.
- Guided the team throughout the weekend of competition and made sure accommodations were met.
